

ASBURY KIDS MINISTRY COLLEGE INTERNSHIP

Summer 2023

“Imitate God like dearly loved children with Asbury Kids. Live your life with love, following the example of Christ, who loved us and gave himself for us” Ephesians 5:1-2

OVERVIEW

Asbury Kids Summer Internship program is a partnership with three main purposes. First, and most important, our Summer interns will build healthy, meaningful, and Christ-centered relationships with our students in a way that helps them feel valued and loved. Second, our Summer intern will be expected to help us do Children’s Ministry in a number of different ways: teaching kindergarten through fifth grade students, leading activities, assisting in planning events such as VBS and Summer Nights, and everything else that goes on over the Summer. Third, Asbury’s staff will offer our Summer intern discipleship experiences and opportunities to grow in his/her own personal faith and relationship with the Lord. We want our Summer intern to grow as a leader and to grow deeper in their faith with the Father as they help our students build on the foundation of their faith.
