During his time at Asbury United Methodist Church, Reverend Greg Foust modeled what it means to have a true servant's heart. He served Asbury in his role as Minister of Discipleship from 1996-2020. While he was with us, Rev. Foust led the church family in many impactful mission projects, including trips to Kenya, the Kairos prison ministry, Ready Day One with Urban Ministry, our Tornado Bucket project with UMCOR, the Brown Bag ministry, and God's Garage Sale, along with many more. Asbury UMC's Missions in Action (MIA) committee now honors Greg with the "Angels Among Us" grant.

The "Angels Among Us" grant has been established to encourage individuals or groups to serve "the least of these" in unique and creative ways. The grant is based on the biblical principal outlined in Matthew 25:40:

"The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.'"

Grant Application Information

Completed applications should be returned to the church office (Attn: MIA).

To apply, please fill out the information below. Any individual or group from Asbury is eligible to apply. Attach a detailed explanation of how you or your group plan to use the grant money to fulfill the biblical principle outlined in Matthew 25:40. Include information about who will be served, the timeframe for the project, needed resources, and a budget, along with any additional pertinent information. The Missions in Action committee will review the applications and award grants throughout the year until the yearly grant funding has been exhausted. It is MIA's hope that with the "Angels Among Us" grant, Asbury's congregation will be encouraged to explore member-driven ways to reach beyond our church walls to share Christ's love with others.

Individual or Group Name:

Contact Information (phone # and or email):

(Please note: Applicants may be asked to attend a MIA committee meeting to discuss their application or answer additional questions.)
