

ASBURY RESET STUDENT MINISTRY SUMMER INTERNSHIP

Summer 2024

"Follow my example, as I follow the example of Christ." -2 Corinthians 11:1

OVERVIEW

Asbury Reset's Summer Internship Program is a partnership with three main purposes. First, and most important, our Summer interns will build healthy, meaningful, and Christ-centered relationships with our students in a way that helps them feel welcomed, seen, and heard. Second, our Summer interns will be expected to help us do student ministry in a number of different ways: teaching students, leading activities, leading at events such as the Gatlinburg Mission Trip and TRIBES, and everything else that goes on over the summer. Third, Asbury's staff will offer our summer interns discipleship experiences and opportunities to grow in their own personal faith and relationship with the Lord. We want our summer interns to grow as leaders and to nurture their relationship with God.

START DATE: May 14th.

END DATE: August 5th.
