ANCHOR COMMUNITY RESPITE

Policies and Procedures

General Information

Governing Body

Anchor Community Respite Ministry is a ministry under the headship of the Congregational Care Ministry of Asbury United Methodist Church of Birmingham, Alabama.

Purpose

Anchor Community Respite is designed to meet the social, emotional, physical and spiritual needs of adults with memory loss disease and their care partners. It provides activities and socialization opportunities outside the home in a safe and caring setting for older adults with mild to moderate memory loss and/or medical impairments. It provides their care partners with emotional support through a care partner support group, information regarding available resources, and personal time away during the day in which to rest and address their own needs.

Services Offered

For the Adult Participant:

The ministry provides a safe, loving environment for the well-being of each participant. variety of activities includes, but is not limited to, social, creative, intellectual, spiritual, and recreational programming. All activities are designed to provide mental stimulation and social participation. Examples of activities include group singing, crafts, community services, reminiscing, exercise, adapted floor games, intergenerational programs, art therapy, pet therapy, and socialization activities.

For the Care Partner:

This ministry provides respite (an interval of rest or relief) for the care partner. It supports the efforts of the family to keep the loved one in the home environment, which will contribute to the quality of life of the participant as well as the family. This ministry offers a bi-monthly support group once a month for the community. It also provides information regarding available community resources, nursing home options, Alzheimer's information, etc.

Advanced notification of closing will be communicated to participants and caregivers. If the church and local school systems are closed for weather, we will also be closed.

Attendance Policy

Participants are expected to attend the program as scheduled. Respite care is in high demand and many families are in need. As a result, we expect your loved one to attend Anchor on their assigned day. Food and supplies are purchased and prepared, and volunteers are scheduled according to the number of participants we will have each day, so please make it a priority to communicate with us regarding all attendance issues.

In ANY event of absence, please text Gina McIntyre: (205) 529-6353

- Caregivers are asked to notify the director by calling the main Asbury line and leaving a message or by text, email, or in person by 9:00am if the participant will not be in attendance that day. Non-attendance affects both staffing and meal ordering. A \$40 fee will be charged on the day a participant is scheduled to attend but does not attend and does not notify the director by 9:00am of their absence.
- Medical Appointments: Please try to schedule appointments on other days from Anchor days if possible. When that is not possible, 48-hour notice for an upcoming absence due to a medical appointment is required.
- Illness: If your loved one is sick on the morning of their Anchor day, please call the number above to let us know. If he or she is ill prior to their scheduled day(s) and you know they will not be able to attend on their upcoming day(s), please let us know as soon as possible. Guests must be fever-free for 24 hours before returning to Anchor after an illness.
- Late Arrivals: If arriving late, do not drop off your loved one at the door. You will need to walk him or her into Anchor Respite upon arrival.
- Trips /Vacations/Family Events: Please give us a minimum of 48 hours notice that your loved one will be out and how many Anchor days he or she will be absent.

If Anchor is going to be cancelled due to weather, we will contact all participants for that day by phone and/or email. If there is not an active weather warning on your scheduled

morning of Anchor, we expect your loved one to be in attendance for the day. If a weather situation arises during a scheduled Anchor day and there is time for participants to be picked up, you will be notified by phone and/or email. If there is not time, we will follow precautions and move to a safe place within the church.

- No-Shows: Participants who do not show up for their scheduled Anchor day(s) and do not communicate with the director about the absence by 9:00AM will be invoiced for that day.

Admission

Participation in the program will be based on the applicant's ability to participate in the program and the initial interview with the director. Taken into consideration when evaluating whether an applicant is capable of participating in the program are the following:

- Medical stability - a participant may be frail and have physical problems but must be medically stable.
- Ability to ambulate independently with or without assistive devices without potential danger to self or others
- Ability to perform basic daily living activities independently
- Ability to interact and socialize with others
- Ability to exhibit acceptable behavior in a group

A telephone interview will be conducted by the director. If potential participant meets criteria, an invitation to visit the program with the participant and caregiver attending. An application will be given to the caregiver to be returned to the director. The admission application is processed with a \$40 registration fee and participants are added to the roster and enrolled in Anchor

Possible Exclusions from Admission and Reasons for Discharge

The following may be examples for excluding an applicant or releasing a current participant from Anchor Community Respite:

- Unmanaged incontinence
- Disruptive or combative behavior
- Psychosis
- Communicable disease
- Need for one-on-one continual supervision

Transition and Discharge

Transition and discharge plans are made when another level of care is needed by the participant and/or they no longer meet the requirements listed under admission. A change in the participant's status can occur suddenly requiring immediate action or can develop over an unspecified period of time which would allow staff to give advance notice to the care partner. In either case, Anchor Respite staff will offer open communication, and make every effort to suggest options for care for your loved one going forward. Anchor Respite must ensure that only participants whose needs can be met by our program and staff are admitted to and retained in the program.

Consideration of discharge from the program will be discussed with the family member(s) before final decision of termination is made in order to give as much advance notice as is reasonably possible. The decision of discharge is left to the director of Anchor Respite and Congregational Care staff of Asbury United Methodist.

Payment/Rates

A one-time registration fee of \$40 is due upon enrollment. The daily participation fee is \$40 per day. Scholarships are available for qualifying participants. Statements are issued via email at the end of the month for the number of days the participant has attended the program. Payment is expected by the 15th of each month in order to ensure uninterrupted participation in the program. Checks should be made to **Asbury United Methodist**. Please note in the memo line, "Anchor Respite for (participant name)".

Staffing

A director will staff the program with the assistance of the Congregational Care Director. In the director's absence, a trained substitute director will be in charge of the operation and activities of Anchor Community Respite Ministry. Trained volunteers provide additional staffing and are assigned participants with whom they will socialize during the day. The ratio of volunteers to participants may vary from 2-4 participants to one volunteer, depending upon individuals. Each program day will be considered "full" when it numbers 20 participants.

Communication

It is of great importance that lines of communication between caregivers and the program director remain open. If the family of the participant has concerns, observations, and/or suggestions they would like to discuss, they are always encouraged to do so. This can be best accomplished by scheduling an appointment with the director.

Medication/Health/Injury

Participants needing to take medication(s) during the program hours must be able to take it/ them independently. Participants must keep the medications with them during the day, as we are unable to store medications. Program staff will remind a participant to take his/her medication; however, they are unable to administer any medications. Family members must take full responsibility for medication administration.

No one on staff is a medical professional. If a participant shows signs of illness or infectious disease, the director will contact the participant's caregiver, advising him/her to pick up the participant. Please keep participant home if temperature is above normal.

Sickness and accidents resulting in physical injury or suspected physical injury will be reported to the director who will arrange for appropriate medical attention to be obtained. The caregiver of the participant will be immediately notified or emergency actions will be taken. If it is deemed necessary, transportation to the hospital will be obtained by calling 911. An accident report will be filed with the signature of the caregiver.

Paid Attendants

Participants may choose to have their personal paid attendants with them during the program hours. Paid assistants will provide necessary aid to their own client, but will be expected to assist their client in participating in the activities as scheduled. They will also be responsible for payment of their meals.
