

This piece invites us to pause and notice.

*Light descends through the shadows,
steady and quiet, illuminating each step
along the darkened path.*

*The circle holds what is constant;
the moon rises night after night
to shine in the darkness,
illustrating that God's presence endures
even in the darkest valley.*

*To notice is to remember again
that we are never alone.*

*To notice is to see that the One who made
you and loves you beyond measure
is guiding you home.*

*As you sit with Psalm 23:4 and this image,
may it awaken you to the nearness of God.*
