God is good

THROUGHOUT THE WEEK

High School Life Groups

- Various times and locations. Reach out to Austin Lerner-Gay to find out who your adult leaders are and where your group meets.
- Life-changing relationships are at the heart of RESET's Life Groups. Our students may be more digitally connected than ever, yet they can still feel lonely. Life Groups remind them of who they are, whose they are, and that they are not alone. God made us for real, life-giving relationships – and that's why we have Life Groups!

*YSF - Youth Service Funds

Youth Service Funds help middle and high school students pay for RESET trips and event expenses. The funds can be earned by students and student families. These funds can be used up to four years after high school graduation. Once time has expired, funds are allocated to a student scholarship fund. Opportunities to *earn YSF occur several times throughout the year. (i.e. Giggles and Grace, Pumpkin Patch, Dinner Theatre)
